# Instructions for *Recurring Daycare Claims Program*

OMNI Group is now offering a new service to assist those with recurring daycare expenses called the Recurring Daycare Claims Program.

- **What is a recurring claim?** OMNI Group can automatically reimburse you for a claim that you have a “fixed” contract for, such as your daycare expenses.
- **What does this mean for you?** Less paperwork and hassle!

## **Here’s how to set up a Dependent Care Recurring Claim:**

- Read these instructions, including the *Important Information* and sign below.
- Complete the *OMNIFlex Dependent Care Information Form* – make sure that your daycare provider has signed the form. (Note: if we already have a letter from your daycare provider on file that will be sufficient for the 2005 plan year).
- Return both the signed *Instructions for Recurring Daycare Program Form* (this sheet) and the completed *OMNIFlex Dependent Care Information Form* (attached) to OMNI Group. We will setup your daycare claim for automatic reimbursement based on your pay cycle. Periodically, we will send you reminders about these rules and update you on any changes to the Recurring Daycare Claims Program.

## *Important Information*

1. **Annual Request for Reimbursement:** the recurring claims program will need to be renewed each new plan year.
2. **Incurred:** A dependent care expense is “incurred” at the time the qualifying service is rendered – not when you are billed or pay for the expense. For example: Services rendered for the month of June are not fully incurred until June 30 and cannot be reimbursed until then.
3. **Available Amount is Based on Credited Amount:** The amount available for reimbursement for dependent care expensed may not exceed the year-to-date amount credited to your dependent care account, less any prior reimbursements. In other words, you cannot have a negative balance.
4. **Claims Substantiation:** Please keep all of your receipts. OMNI Group may request for your supporting documentation including bills, invoices or other statements showing that the dependent care expensed have been incurred and showing the amounts of such expenses, along with any additional information.
5. **Change of Status or Change of Cost:** It is very important to inform OMNI Group whenever you have an increase or decrease in your dependent expenses or any other kind of change of status by completing the *Change of Status /Termination Election Form* found on our website: [www.omni125.com](http://www.omni125.com). A change of cost does not apply if a relative of you imposes the change of cost.

**I have read and understand the terms of participation in the Recurring Claims program.**
